Hex

Hex is a Green Crypton, ideal for Office Commercial, Healthcare, Hospitality & Education requirements. It offers protection from spilling, staining, tearing, abrasion and bacteria. Crypton is an engineered fabric designed from the fibre level up. It is woven then immersed in a special formula with heat, ensuring the fibres are permanently encased to produce a textile that is antimicrobial as well as stain and soil repellent. Cryptons are bleach cleanable.

Application	Upholstery
Composition	100% Recycled Polyester
Width	137cm
Weight	277g/m ²
Abrasion Resistance	50,000 Wyzenbeek
Flammability	ASI530 Part 3
Cleaning	Vacuum regularly. Liquid spills – simply wipe with a clean cloth. Solid or dried stains – remove the dry stain by scraping off as much as you can. If stain is persistent use wet cleaning – make paste using mild detergent. Apply to stain. Leave for at least one minute the scrub the area with a clean nylon brush. After scrubbing, the area needs to be rinsed thoroughly using a sponge and clean water. Please note: bleach can be used in a dilution of one part bleach to 10 parts water (1:10) and must be completely rinsed out.
Guarantee	5 years
