

Product Guarantee - 24/7+

Camira Fabrics Ltd guarantees its 24/7+ upholstery fabric against wear through (the complete deterioration of the fabric's structure in a particular area) and loss of colourfastness (the excessive loss of colour due to exposure to light) for a period of 10 years from the date of invoice. This includes applications involving 24 hour round the clock usage.

24/7+ will normally provide at least 10 years' usage providing:

- i) Appropriate good practice upholstery manufacturing methods have been used by the furniture manufacturer.
- ii) Good quality foams or waddings have been used to protect the fabric from any wood and/or metal edges.
- iii) Regular cleaning has been carried out by the end user (as specified in the Camira Cleaning Guide).
- iv) Furniture has only been subjected to normal "wear and tear".
- v) Furniture has not been subjected to misuse or abuse.

If 24/7+ fails to perform as guaranteed, it will be repaired or replaced at Camira's expense upon the written request of the end-user, dealer or seating manufacturer.

We reserve the right for our technical staff to investigate on site any claim arising from this product guarantee. Any arbitration will be settled by FIRA or a similar independent testing house.
