Main Line Flax

Mainline Flax builds on our industry leading bast fibre expertise to create a new inherently flame retardant fabric from sustainable sources. A symbol of purity, wild flax has been used in textiles for thousands of years thanks to its strong, long and smooth fibres found inside the stem of the plant. The fibre is spun into a 70-30 wool flax blend, then dyed to create beautiful mixture yarns which are woven into interesting solids and cross-colours inspired by the rich tones of rare jewels.

Application	Upholstery
Composition	70% Virgin Wool, 30% Flax
Environmental	Renewable and Compostable
Width	140cm
Weight	437g/m ²
Flammability	AS1530 Part 3 BS EN 1021-1:2006 (cigarette) BS EN 1021-2:2006 (match) BS 7176:2007 Low Hazard BS 5852:2006 Section 4 Ignition Source 5 BS 7176:2007 Medium Hazard <i>Note: Flammability performance is dependent on components used.</i>
Cleaning	Vacuum regularly. Professionally dry clean or wipe clean with a damp cloth.
Guarantee	5 years
