Ankara

Ankara offers a classic Mohair Velvet 'look' for a wide range of everyday uses at work or at home. Its 100% polyester content makes it highly practical and hard wearing, and its flexible weave is ideal for use on squared or curved furniture as well as screen applications.

The finely cropped texture and subtly heathered colour effects create a plush, yet simple look in a palette of 10 neutral and on trend shades. The perfect solution for contemporary or classic applications in both residential and commercial schemes.
