# 10 YEAR GUARANTEE

## Oceanic

At Work confirm the following in respect of the guarantee on fabrics.

1. This product supplied is fit for purpose and meets the stated technical specifications relevant.

2. All abrasion requirements are met in accordance with guidelines outlined by CTA (Commercial Textile Association of Australia).

3. On application and dependent on the commercial environment, we will normally provide up to five years guarantee. However the fabric needs to have been cleaned regularly, not subjected to burns, stains, soiling, damage by pets, improper installation, unreasonable use or fault caused by applications of protective processes by third parties.
